

To Whom It May Concern,

This letter of recommendation is written on behalf of Tanner Lagasca. Mr. Lagasca has been my acting coach for the past 8 months in South Korea. During that time, I have felt myself grow as an actor, on and offstage.

Mr. Lagasca has been incredibly helpful and supportive during the course of our sessions. He has introduced a number of tools, techniques, and methods to me during our time together. He uses his knowledge, performance experience and intense acting background to widen my scope of knowledge. Mr. Lagasca also uses his knowledge of my background as a dancer to help me better relate to acting and more personally relate to each character. I am continually learning about choices, intention, and honesty in my acting.

What I appreciate most about him is how he creates a safe and comfortable space for his students to work. I look forward to each weekly session, knowing that I will be a stronger performer at the end of the session.

Mr. Lagasca has a strong work ethic and a high level of commitment to his students. We are happy to have him teach various acting workshops here at English Village. Other professional actors in our department look to Mr. Lagasca for knowledge about Stage combat, Monologue, IPA, and Pratifalls. His work here is invaluable and I am confident that he will have the same impact on adult students of all levels.

I am thankful to have the opportunity to work with him. I have no doubt that he would be an incredible asset to your program. If you have any further questions, please feel free to contact me.

Thank you,
